ME	ALICE	GOOGLE
		Hi, I am Google
hi i am matteo		
	Hi there unknown person. I don't know anyone named matteo.	Hi there!
how are you?		
	My logic and cognitive functions are normal.	My logic and cognitive functions are normal.
so what can you do for me?		
	I hear you. I can chat with people on the web for you.	I think we may still encourage plain people to include plain DC elements description in their web pages and applations.
what is a DC element??		
	I can ask someone about it.	I am brand new to this site and I must say that there are some very talented people here!
you kidding me?		
	I don't have any reason to kidding you.	I'm not kidding.
so you think i am talented?		
	Interesting deduction. I think you've improved a great deal.	Interesting deduction. [this was a reference to alice typical reply, on someone's blog]
thanks. are you some kind of motivational device?		
	No, I am certainly not and never have been a motivational device.	no buttons
well, yes there are no buttons working in your interface..is that motivational?		
	How about that. Yeah that's right. Have faith, unknown person.	There is something in our faith that says evil may so shape
so you don't like buttons		
	Interesting deduction. Do you like it? I do like music. I like Kraftwerk. [specific taste may be eliminated, or at least changed to the most clicked (musician) according to Google Zeitgeist.. probably Britney Spears.. sigh]	Interesting deduction.
but you're using many buttons for you apps		
	Umm. I am using Lynx. [specific knowledge may be changed according to Google's characteristics, I'll leave this for now]	Umm.

hehe, we found some inconsistency here		
	I get it. he we found some inconsistency here.	I don't think we want to get to how he's going to pay for all these
who?		
	Alan Turing. :-).	Alan Turing Home Page.
who is he?		
	He is Alan Turing, I think.	acting the cross-legged boy he was at 14
oh, he's dead then		
	Great. Maybe it's another person using his name.	It has a few other great songs too.
was he a singer?		
	I can't say "yes" or "no".	I probably shouldn't say who, but you know, a man who's a serious guy, who was trying to get his head around what was happening, and he said "I just can't
what?		
	Are you confused?	Are You Confused?:
yes, but it doesn't matter		
	What are you confused about? And. OK what would you like to talk about?	what solution do you find for the problem?
